Vice President's Column, Jackie L'Allier

Our March meeting will be held at Joseph's Grill, 140 S. Wabasha, in St. Paul. It will be a morning meeting. We will meet at approximately 9:30A.M. Brunch will follow at 10:30A.M. We'll have a little time to socialize, have a short meeting and top it off with a year end review. Rich and Jim will be showing slides of activities that our club has participated in over the last year. If you were unable to attend some of these activities, you'll be able to catch a few our members at their best candid moments. Hopefully, we won't keep you too long, since it is a Saturday.

We have been very fortunate with our weather. Just think, we are meeting in March and next comes April and up come the Roses. I always look forward to that time of the year. Hopefully, everyone has their wish list of roses ordered. Like me, wishing I could order more.

Always remember, if you cannot make it to the brunch; you are always welcome for

the meeting and the program.

Vice President,
Program Chair

Happy Easter!!!

President's Column, Jim Stillings

It isn't going to be all that long until it is time to raise the roses. Hopefully, there will be lots of help to do just that at the Arboretum. The date is not firm yet, but will be shortly. We usually strive for the middle of April which should work quite well. I hope everyone will have that date marked on their calendar. It does not take very long when there are a lot of people involved.

The spaghetti Dinner will be coming up on May 11, and will be held at Prince of Peace Lutheran Church again. It worked out real well last year in this location. We will have a plant sale and also a bakery sale again, plus lots of spaghetti and fellowship. The speaker will be Jeff Gillman who teaches at the U of M in the Horticulture dept.

I want every one to remember, that this year we will not hold our own rose show, as it would be so close to the time of the National in downtown St. Paul. It would be great if we all would exhibit in the national show. Register soon.

Letter from the Editor

Hi, are you all glad that the month of February is over?! Do you have your garden plans made up for next spring already?

If you are considering adding some scented roses to your garden here are some suggestions from our members.

Veterans Honor is recommended by Jim Stillings. He stated, that it not only has a great scent, but also has a very large bloom. He measured blooms last summer from 5-6 inches across. It blooms continually throughout the season for him.

Esther Filson likes Fragrant Cloud, Mr. Lincoln and Chrysler Imperial.

Nancy Carlson recommends Stainless Steel.

Sandy Abraham enjoys Rose de Rescht, a Portland rose with beautiful double reddish purple flower.

Bob White, says Double Delight is still unbeatable.

Lois Ann Helgeson's favorite scented rose is the Secret Garden Musk Climber.

Jim Beardsley's favorite is the Parfum de l'Hay

Rich Hass has several favorites: Double Delight, Salet, Gertrude Jeklyl and the McCartney Rose.

I like Blanc Double De Coubert a white flowered rugosa. It has bad form, but the flowers' scent is heavenly!

Question: Where are your favorite places to shop for healthy roses? This includes online stores and mail order. Mail or email me and let me know!
