Picture	Common Name	Botanical Name	Light Req.	Notes
	Blanc Double de Courbert	Rosa 'Blanc Double de Coubert'	Full Sun	Height - 5-7' Spread - 5-7' From early summer until the arrival of frost, the sweet licorice scent of these enchanting flowers beckons to all that are near. The loose, delicate blooms of purest white are intoxicatingly fragrant, day or night. With the approach of fall, the foliage dons the colors of the season, enhanced further by large scarlet fruits.
	Bonica®	Rosa 'MEldomonac'	Full Sun	Height - 3-5' Spread - 3-4' Soon after the lustrous leaves emerge dark green with a subtle edge of red, the arching stems fill quickly and this 1987 AARS® winner is blanketed with trusses of round pink buds, gently scalloped flowers, and an aroma of apple. As fall approaches, the lovely blooms are replaced with attractive bright orange hips.
	Campfire	Rosa 'CA 29' PPAF	Full Sun	Height - 3' Spread - 3' An exciting rose from the Canadian Artist Rose series, Campfire has exceptional hardiness combined with eye-catching blooms & bright glossy foliage. Shapely buds with yellow & red tones open to semi-double flowers of yellow, edged in a deep rosy pink. As the season progresses, the pink edging becomes more prominent and produces an incredible smoldering blend of yellow and deep pink blooms that continue until frost. Excellent disease resistance; stems are smooth with only the occasional short thorns.
	Carefree Beauty™	Rosa 'BUCbi'	Full Sun	Height - 3-4' Spread - 4-5' This Buck rose boasts thick, olive green foliage that is naturally resistant to disease. From spring until fall, the leaves provide a backdrop for lovely double blooms of coral pink that release a fresh apple fragrance. The addition of bright orange hips in autumn enhances the season-spanning performance.
	Champlain	Rosa 'Champlain'	Full Sun	Height - 3' Spread - 2-3' This Explorer rose boasts profuse clusters of dark velvety blooms which deepen at the petal tips and provide a bounty of color and a fresh light scent from spring until the hardest frosts. Autumn finds the blooms accompanied by round orange hips. Resistant to disease and insects.
	Charles Albanel	Rosa 'Charles Albanel'	Full Sun	Height - 2-3' Spread - 3-4' One of the smallest Explorers, this rose blooms with fragrant clusters of mauve-red flowers that recur throughout the season. A resilient rose that's resistant to disease, it has a vivid autumn display of orange-red fruit along with orange and yellow fall foliage. Promising results have been reported in zone 2.
	Cuthbert Grant	Rosa 'Cuthbert Grant'	Full Sun	Height - 3' Spread - 2-3' An outstanding member of the Parkland series, this award-winning rose blooms throughout the season with fragrant clusters of three to six. Often compared to those of hybrid teas, the memorable flowers are deep, velvety red and are splendid to behold. Resistant to disease, the foliage is a luxuriant glossy green.

Abrahamson Nurseries

	Double Knock Out®	Rosa 'RADtko' PP16,202	Full Sun	Height - 3-4' Spread - 3-4' The same wonderful characteristics of its sister, Knock Out® with twice as many petals. Cherry red blossoms attract attention all summer and give way to deep, purple fall foliage. Spent flowers drop cleanly. Hardy and disease resistant, drought tolerant once established.
	Easy Elegance® All the Rage	Rosa 'BAIrage' PP19,945	Full Sun	Height - 3-4' Spread - 2-3' A multi-colored spectacle with tight coral buds swirling open to apricot-colored blossoms with luminous yellow centers, blooming steadily all season so there will always be a range of colors to admire. Blooms age to lipstick pink before dropping cleanly away. Add to that astonishingly clean, disease-resistant foliage and a perfectly round form, and you have a garden that's truly All the Rage. Own root.
	Easy Elegance® DayDream™	Rosa 'BAIeam' (PP15,736)	Full Sun	Height - 2-3' Spread - 2-3' 2005 All-America Rose Selections award-winner from the Bailey rose breeding program. DayDream® is a low spreading, arching rose with a unique flower color. Massive clusters of fuchsia-pink blooms reflect the light in such a way as to give a hint of blue. Each lightly scented bloom fades to light pink before self cleaning for a never ending daydream of color. Wonderful disease resistance and a nice compact habit to complement the non-stop flowering. Crown hardy to zone 4. Own root.
	Easy Elegance® High Voltage	Rosa 'BALage'	Full Sun	Height - 3-5' Spread - 2-3' Shockingly beautiful, clusters of yellow blossoms are held high on sturdy canes. Super clean foliage complements the fragrant, double blooms. Upright, vase-shaped habit will stand up in the back of the border or stand out as an accent. Adds a jolt of color to any garden situation.
	Easy Elegance® Sweet Fragrance	Rosa 'BAInce' PP19,969	Full Sun	Height - 2-4' Spread - 2-3' Hybrid tea-shaped buds in tropical tints of coral and orange with a deep yellow base swirl open to full, sweetly fragrant, apricot blossoms. Each bloom matures to salmon-pink, adding interest with the range of color. Clusters of buds and blooms are held on sturdy canes making them perfect for cutting. A vigorous, upright grower with excellent disease-resistance. Own root.
	Grootendorst Supreme	Rosa 'Grootendorst Supreme'	Full Sun	Height - 3-5' Spread - 3-5' The deep crimson flowers of this 'F.J. Grootendorst' sport occur in numerous sprays with delicately fringed petals, reminiscent of small carnations, that are typical of the Grootendorsts. Borne on thorny canes, the abundant and near continuous bloom is accompanied by healthy, leathery foliage of light green.
	Hansa	Rosa 'Hansa'	Full Sun	Height - 4-6' Spread - 4' 'Hansa' typifies the hardy shrub rose for many, a vigorous and resilient rose with a splendid multi-seasonal display. The large blooms of vibrant reddish-violet release an intense clove fragrance, yet that's just a portion of it. With the approach of fall, the leaves take on an orange hue and a profusion of large, meaty red fruits.

	Hope For Humanity	Rosa 'Hope For Humanity'	Full Sun	Height - 2-4' Spread - 2' The deep wine red buds of this splendid Parkland series rose appear in small clusters of four to five, then open to fragrant cupped flowers of blood red that bloom continuously throughout summer starting late in June. The lustrous green foliage has good resistance to disease and joins with the flowers for a striking result.
	John Cabot (Climber)	Rosa 'John Cabot'	Full Sun	Height - 5-9' Spread - 6-8' The first climber in the Explorer Series, this rose bears an abundance of fragrant blooms from early in summer until frost, in a gamut of shades from orchid-pink to fuchsia-red. Complemented by lustrous soft green foliage along the vigorous canes, the lovely flowers are followed by attractive hips of orange.
	Magnifica	Rosa 'Magnifica'	Full Sun	Height - 4-6' Spread - 4-6' Shades of reds and purples blend effortlessly in richly colored flowers that open nearly flat to reveal prominent stamens of bright gold. As they do, the clusters of loose double blooms fill the air with the scent of cloves. Very disease resistant, the deeply wrinkled foliage puts on a colorful fall show complemented by orange-red hips.
	Morden Blush	Rosa 'Morden Blush'	Full Sun	Height - 2-3' Spread - 2-3' This floriferous Parkland series rose has beautiful pointed buds of ivory and blush that open to sweetly fragrant, high centered blooms of creamy ivory blushed with pink at the center. As they mature, the lovely flowers fade fully to ivory. Low growing, with glossy green foliage, 'Morden Blush' also provides orange-red fruit in fall.
	Morden Centennial	Rosa 'Morden Centennial'	Full Sun	Height - 3-5' Spread - 3-5' This Parkland series rose flowers all season with especially profuse flushes of rich pink flowers at beginning and end. The lightly scented blooms appear in clusters among healthy, disease resistant foliage before being replaced by persistent red hips. While reliably hardy in zone 3, some success has been reported in zone 2.
	Nearly Wild	Rosa 'Nearly Wild'	Full Sun	Height - 2-3' Spread - 2-3' With its low growth habit, great disease resistance, nonstop bloom, and inescapable nostalgia, this is an ideal landscape rose. The elegant, pointed buds open to single pink flowers that are beautiful in their simplicity. The blooms are sweetly scented with apple, and are held above foliage tinted just slightly with red.
	Purple Pavement	Rosa 'Rotesmeer'	Full Sun	Height - 3' Spread - 3' The bright green foliage of this rose has excellent disease resistance and forms a nice mounded plant well suited for use in mass plantings or as a colorful low hedge. Flowers are a purplish red with bright yellow stamens. With the approach of autumn, intensely fragrant blooms are replaced by colorful dark red hips. Own root.

	<p>Ramblin' Red® (Climber)</p>	<p>Rosa 'RADramblin' PP14,270</p>	<p>Full Sun</p>	<p>Height - 6-10' Spread - 6' This climber came to us from the creator of Knock Out®. The foliage is borne on strong pliable canes, and displays a touch of red before maturing to deep, dark green. Compared to its parent, 'Henry Kelsey', it has equal hardiness, slightly better disease resistance and fuller flowers of a rich, more true, red.</p>
	<p>Redleaf</p>	<p>Rosa glauca</p>	<p>Full Sun</p>	<p>Height - 5-6' Spread - 4-5' While the flowers are stunning in their simplicity, it is the foliage of this rose that is most greatly valued. Blue, green, plum and red all blend exquisitely in the waxy leaves. The flowers open to form narrow, star-like blooms of deep pink with white centers. In fall, foliage intensifies alongside hips of bright purple-red and canes of violet.</p>
	<p>William Baffin (Climber)</p>	<p>Rosa 'William Baffin'</p>	<p>Full Sun</p>	<p>Height - 8-10' Spread - Varies' From June until hard frost, the thick upright canes of this Explorer Series rose are covered with clusters of up to 30 informal blooms of strawberry pink highlighted by stamens of bright yellow. Hardy, vigorous, and resistant to pests and disease, this handsome climber has small red-orange rose hips that carry it into winter.</p>
	<p>Winnipeg Parks</p>	<p>Rosa 'Winnipeg Parks' PP9,122</p>	<p>Full Sun</p>	<p>Height - 2-3' Spread - 2-3' The pointed buds of this Parkland rose are borne in small clusters of deep pinkish-red and open to dark cherry pink flowers with a dark pink reverse. The slightly fragrant flowers age to dark pink backed by matte green foliage that takes on a reddish tinge in fall. With a bonus of red hips, this compact, low growing rose is a beauty.</p>
